Dear Frutado User,

To ensure, that your web browser has the right settings to view the learning units properly, please visit the following link:

http://www.datango.com/download/browsercheck/check.php?lang=de

(Here, the settings of your browser will be checked and instructions of how to change your settings will be given if necessary.)

Note, the Microsoft Internet Explorer is ideally suited for viewing the learning units. When using the Mozilla Firefox it is advisable to install the "Internet Explorer Tab" add-on.
